

# DESIGN THE FUTURE OF THE PROFESSIONAL SMART HOMES WITH US

*Eltako*

## TO STRENGTHEN OUR INTERNATIONAL TEAM WE ARE LOOKING FOR **SALES REPRESENTATIVE UK (M/F/D)**

Eltako is one of the leading manufacturers in Europe of innovative switchgear in the building and for use in smart homes.

The company is based in southern Germany.

Our product range includes switching devices, dimmers, energy meters and a wide range of products for our radio system using the EnOcean technology.

### QUALIFICATION AND PROFILE / TASKS

**We are looking for a committed and qualified sales representative who is looking for a new challenge and wants to join us in developing of the UK-market.**

- Development of new distribution channels, e.g. wholesalers, system integrators, prefab manufacturers, etc.
- Further, customer service and after sales service as well as administrative duties and attending fairs complete the range of activities.
- We also welcome candidates with professional experience in technical sales and sales background.
- The job demands a high level of commitment and preparedness as you will work independent from your home office.
- A company car and the necessary equipment for your home office will be provided.

### YOU FEEL ADDRESSED ?
