

Type	Description	Status
F8S12-12V DC	Wireless 8-fold transmitter module	 integrated
FAE14SSR	Single room control, heating/cooling for 2 Zones	 integrated
FAFT60	Wireless outdoor humidity temperature sensor	 integrated
FAH60B	Wireless outdoor brightness sensor	 integrated
FBH63AP	Wireless motion sensor	 integrated
FBH65S	Wireless motion sensor	 integrated
FHS12	Wireless hand-held transmitter	 integrated
FKLD61	Wireless constant current LED dimmer switch	 integrated
FMH2	Wireless mini hand-held transmitter	 integrated
FMT55/2	Wireless mini pushbutton with rocker	 integrated
FMT55/4	Wireless mini pushbutton with double rocker	 integrated
FRGBW71L	Wireless PWM dimmer switch w/ 4 channels for LED 12-36V DC	 integrated
FRW	Wireless smoke alarm	 integrated
FSB14	Wireless switching actuator for shading elements & roller shutters	 integrated
FSB61NP-230V	Wireless switching actuator for shading elements & roller shutters	 integrated
FSR14-4x	Wireless actuator impulse switch w/ integrated relay function	 integrated
FSR61NP-230V	Wireless actuator impulse switch w/ integrated relay function not potential free	 integrated
FT4F	Wireless pushbutton with double rocker	 integrated
FT4F	Wireless pushbutton with rocker	 integrated
FT55	Wireless pushbutton with double rocker	 integrated
FT55	Wireless pushbutton with rocker	 integrated
FTF55	Wireless temperature sensor	 integrated
FTF65S	Wireless temperature sensor	 integrated
FTK	Wireless window/door contact	 integrated
FUD14	Wireless universal dimming actuator	 integrated
FUD61NP-230V	Wireless universal dimming actuator without N	 integrated
FUD61NPN-230V	Wireless universal dimming actuator	 integrated
FWS61-24V DC	Wireless weather data transmitter module	 integrated
FWZ14-65A	Wireless single-phase energy meter transmitter module	 integrated
FWZ61-16A	Wireless single-phase energy meter transmitter module	 integrated
TF100D-230V	Tap-radio® universal dimming actuator adapter up to 300W	 integrated
TF100L-230V	Tap-radio® light actuator adapter 10A/250V	 integrated
TF61D-230V	Tap-radio® universal dimming actuator up to 300W	 integrated
TF61J-230V	Tap-radio® universal dimming actuator for 1 motor	 integrated
TF61L-230V	Tap-radio® light actuator 10A/250V	 integrated
TF61R-230V	Tap-radio® relay actuator 10A/250V	 integrated
TF-1FT	Tap-radio® 1-way wireless pushbutton	 integrated
TF-4FT	Tap-radio® 4-way wireless pushbutton	 integrated
TF-BSB	Tap-radio® motion sensor with battery	 integrated
TF-FKB	Tap-radio® window contact with battery	 integrated
TF-FKE	Tap-radio® window contact with energy generator	 integrated
TF-FTSB	Tap-radio® humidity temperature sensor with battery	 integrated
TF-TRHB	Tap-radio® temperature sensor with battery	 integrated
