

SV7x7x14

## FFG7B-

**Wireless window handle sensor pure white and coated/aluminium paint, 120 x 35 x 7 mm, with battery (lifetime 7 years). Installation behind conventional window handle. Smart Home sensor.**

Wireless transmit telegrams for window positions open, tilted and closed. Status telegram every 15 minutes. **Very simple installation under standard window handle: Unscrew handle, fit sensor, and screw handle back on.**

In individual cases, the square pin of the window handle is too short when using the FFG7B- and can be extended using the pin extension SV7x7x14 accessory.
