THE PERFECT PLACE FOR THE IPAD.

THE PREMIUM IPAD DOCKING STATION FOR ANY SMART BUILDING

With the Eltako docking stations, the iPad becomes a control center that combines comfort with elegant design.

Eltako docking stations provide the perfect accompaniment for the seamless connection to the range of Eltako professional smart building products. In addition to your everyday apps, the iPad can be used with one of our controllers to visualise and control the areas of light, heating, shading and security
